IN MEMORIAM

DAVID WILLIAM BORGAL (first Year Education) March 17, 1962

FROM OUR PRINCIPAL

It is with a sense of mutual achievement, that I offer my greetings and good wishes to those of you who have shared with me this academic year, 1961-'62. You, as students, have played your parts well. The teaching and administrative staff, whom I represent, appreciate the contribution to university life that you have made and that you have helped them to make.

As I write this message, I look back on things accomplished; and I look forward to things to do. Our third building is now completed. Green grass, green trees, paved walks are changing a beautiful campus site into a truly beautiful campus. Plans for a new engineering building, for a library, for a new teaching building are now a reality. Visions become bricks and mortar; but new visions appear.

But our vision of a great and beautiful university in this city has never been confined to the physical alone. And it is here, too, that I must thank you for the tremendous zeal that you, as students, have demonstrated during this past year. In your clubs, in your newspaper, in your University work, you have shown an increasing maturity. In your numbers, you have grown to such an extent that we have twice as many graduate students as we had a year ago and more than twice as many students in the senior years.

It is true that this past year's students, like those who went before them, have faced difficulties. But like true westerners, you accepted them with courage and cheerfulness, happy to create something new and great where nothing existed before. This is what your parents did: this is what you are doing and will continue to do.

To help build a great university is no small contribution to the province in which you live. It is my hope that the spirit that you have shown here and the friendliness that you have known here will remain with you in the years to come so that you may enrich the community as you have enriched your campus.

FROM OUR PRESIDENT

The year 1961 - '62 has been a momentous one for the University of Alberta, Calgary and, consequently, for the students on its campus.

Perhaps the most significant development has been the growing maturity of the institution as a whole. The appointment of large numbers of additional staff has added to the variety of courses and programs available. The Board of Governors and the Government and Legislature of the Province have provided funds for extensive purchases of books and journals for the library to help meet the needs of the students and staff in this important field. The new Gymnasium and Recreation Building will be available by the new year.

At the Fall Convocation of the University, degrees, including Master's degrees, were awarded to students who had completed the requirements solely on the Calgary campus.

A Committee on Student Affairs, independent of the Edmonton Committee, and responsible directly to the Senate, was organized and began to function. The student body as a whole showed clear evidence of their ability to organize and conduct their affairs in an increasingly competent and responsible manner.

All these are signs of growth and progress towards maturity which are very gratifying to us all and we look forward to still greater progress in the exciting years ahead.

To the members of the class of '62 and to all those registered at UAC we extend our warmest greetings and good wishes for the future.

Walter H. Johns

QUAECUMQUE VERA

For these we search Day in day out In the hope that They'll bring peace.

But no, the more we Seek, the more we find, The more still to be Found. The Great have sought And have not found, so Of this search we tire.

Kay Helmer, B.Sc. (Alberta, Calgary), is working towards her M.Sc. in chemistry.

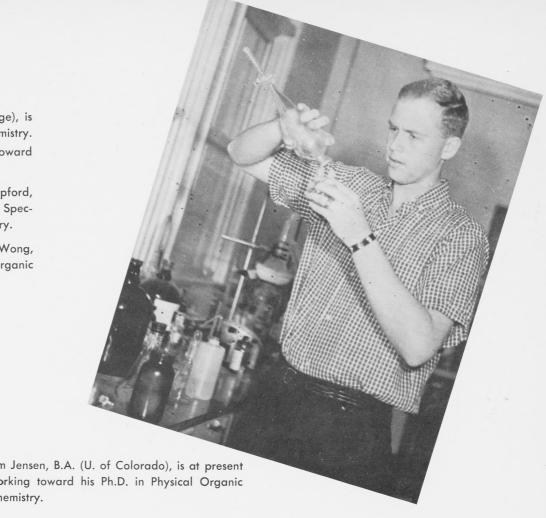

Working toward his Ph.D. in radiation chemistry is Bob Rumfeldt, B.Sc. (Loyola).

Photographs Unavailable:

Howard Mettee, B.Sc. (Middlebury College), is working toward a M.Sc. in Organic Chemistry. Ron Wills, B.Sc. (Hull Univ.), is working toward a Ph.D. in Physical Organic Chemistry.

Also working toward their Ph.D.'s are Kepford, Electron spin Resonance; and Ng, U/V Spectroscopy; and Lee in Radiation Chemistry.

Working toward their M.Sc.'s are Wong, Photochemistry; Golinkin, Physical Organic Chemistry; and Calosing.

Jim Jensen, B.A. (U. of Colorado), is at present working toward his Ph.D. in Physical Organic Chemistry.

MATHEMATICS

Constance Fenyvesi (nee Glow) working towards an M.Sc.

John Kenyon, B.Sc. (Alberta), is working for an M.Sc.

GEOLOGY

George Caklos and June Rapson are working for M.Sc.'s.

PSYCHOLOGY

Gloria Gutman is working toward her M.A. while Richard Pettifor is a special graduate student in the field of psychology.

SOCIOLOGY

The only Sociology graduate student is Margaret Nash, who is working toward her M.A.

GEOGRAPHY

Denis Johnson is working toward his M.Sc.

H. H. McPherson, B.Sc. (Belfast), another of the many Irish graduate students, is working toward his M.Sc.

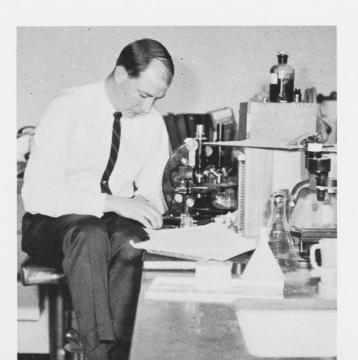

HISTORY

Working toward their M.A.'s are Rebecca Aizenman and Abram Regier.

ZOOLOGY

Bill Sharp, B.Sc. (Alberta), is working toward his M.Sc. by studying the contents of mice stomachs in order to see what they eat.

Rolly Valentine, B.Sc. (Alberta); Arnold Wells, B.Sc. (McGill); Bob Jenkins, B.Sc. (UBC), M.Sc. (Alberta, Calgary); Neville Clayton, B.Sc., M.Sc. (Leeds); Derek Swinson, B.Sc. (Belfast), M.Sc. (Alberta, Calgary); Brian O'Donnell, B.Sc. (Belfast); John Emberson, B.Sc. (Belfast); George Baird, B.Sc. (Belfast).

Neville Clayton, the only English member of the Irish Physics graduate students, is working toward his Ph.D. in the field of paramagnetic resonance.

PHYSICS

Arnold Wells is working toward his M.Sc. in the field of Cosmic Radiation.

Also working in the field of Cosmic Radiation are Derek Swinson and Brian O'Donnell.

John Emberson is working toward his M.Sc. in Biophysics.

Working for his Ph.D. in Radio astronomy is Bob Jenkins.

Another Physics Graduate student is C.P. Nehra, B.Sc., M.Sc., (Osmania).

Doing research in the upper atmosphere George Baird is working toward his Ph.D.

CLASSICS

Calgary's first Honors Classics graduate, Mrs. Ellie Swart, is at present working toward her M.A.

ENGLISH

The only graduate student working in the field of English toward an M.A. is Margaret McPheat.

SOCIETY OF ARTS AND SCIENCE

A. Tansey (Treas.); D. Thompson (Vice-Pres.); M. Arthur (NFCUS Rep.); G. Williams (Pres.); F. Van Sant (Soc. Con.); R. Clowes (Athletic Director).

The Society began the year with a song presented Frosh Week and written especially for them by Shelagh Mc-Cormick. During Frosh Week, Freshmen were introduced to the club at a punch party. At the first meeting an honorary membership was presented to Moses Chirambo.

The SAS sponsored Queen Week October 30 to November 4. The events of the week included displays and noon-hour programs presented by the various faculties on behalf of their candidates. Television broadcasts, formal judgings and a coffee party were held to present the girls to the students and the judges. Culminating the week's activities was the formal Blue Mist Ball. Here the final judging took place and the week's total point allowances were added up. Arts and Science candidate Miss Mary McCready was crowned Campus Queen for 1961-1962 (her

theme, carried through by the students of the faculty, was Camelot; it included a castle, knights, swords and shields).

A greater quantity and higher quality of speakers were invited to the bimonthly meetings. Notable examples were Mrs. F. H. Fish, Dr. M. Taylor, Moses Chirambo and Eli Miano. Two scholarships of \$150 each were presented to Maureen Mulholland and Mike McCann.

The society held a Remembrance Day service for the students, as well as setting up a White Gift Christmas Tree. The gifts donated by the students were presented to needy families in the city. The final event was a Nothingness Dance held in January. There was no theme, no decorations, but there was some form of music; a good time was had by all.

COMMERCE UNDERGRADUATE SOCIETY

Frosh Week — Barbecue for Frosh, September 18. Election Dance — October 14.

Queen Campaign — Lyn Anderson was Commerce candidate for Campus Queen. The Roman theme included chariots on 'LXXVII Appian Way,' Toga Day and Stu Bailius.

Football — The Commerce men had their second undefeated season, indicating that they will long be the power in football at UAC.

Seminar — The annual Commerce "Student-Business Day" seminar was held in Edmonton on November 30. Calgary students took an active part in seminars conducted by Alberta businessmen. The faculty arrived home at UAC in

possession of a tape recorder from the UAE Gateway. Playmate '62 — The atmosphere of a private jazz club was created January 13 at UAC's new gymnasium. The dance featured a "Playboy" motif with Judy Connick, Lorraine Menzies and Mary McCready sporting short red skirts in the role of cigarette girls. A cabaret with uniformed bar attendants was set up. Nominations for Mister and Miss Playmate were collected and they were drawn by Miss Lyn Anderson. Winners were Gwen Guthry and "Shick" Bruce Hedderick.

Banquet — The second annual Commerce Banquet was held March 10 to coincide with the Commerce elections.

EDUCATION UNDERGRADUATE SOCIETY

Row One: B. Schiffner (Treas.); C. D'Amico (Vice-Pres.); W. Wenzel (Pres.); H. Scheuchner (Sec.); S. Allen (St. Elem. 1st Year). Row Two: G. Brigden (B.Ed. After Degree); P. Halbert (Conference Co-ordinator).

The Education Undergraduate Society, better known as E.U.S., is a society for all education students on campus. It is associated with the teachers' professional organization, the A.T.A. as Local No. 70. The purpose of this organization is to further the aims and objectives of the A.T.A. as well as to bring the members of the faculty closer to one another in a spirit of good will and co-operation. The society endeavours to uphold and further the prestige of the faculty in all inter-faculty and extracurricular activities. E.U.S. activities during the year included monthly general assemblies, which featured guest speakers and films of interest to the "would be" teacher. A.T.A. magazines were also distributed monthly.

Social activities sponsored by E.U.S. included the annual "Patched Panic." Students, decked out in patches, enjoyed the services of Marryin' Sam and the novel Hog Callin' Contest. The annual E.U.S. banquet and dance was a function few missed.

The highlight of the term's activities was hosting the Western Canada Student Teachers' Conference Feb. 1-3. Three delegates were sponsored by U.A.C.'s E.U.S. and many more attended the various seminars, luncheons and dinners, which featured guest speakers from Alberta and the U.S., as well as delegates from nine other colleges and universities.

ENGINEERING STUDENTS' SOCIETY

The Engineering Students have had another prosperous year. The members of the Engineering Students' Society have caused this by their sportsmanship and their willingness to work for their faculty. The Beard Contest, ending at Winter Week, was one of the greatest events this year, with various razor companies contributing prizes for the winners. During Queen Week, the engineers buzzed with activity, as all tried to show and protect their queen. Engineering Queen Leslie Sanford was selected as First Ladyin-Waiting. Every dance put on by the Engineers gathered a crowd. The Esquires played for the Torque Twist and the Beards Ball.

Besides having a successful social year, the Engineers have done much to improve their academic and public standing. By attending meetings with, and gaining help from the Alberta Professional Engineering Association, plans, which have long been unrealistic dreams, are now becoming possible. Many members have joined C.I.E. to help them meet graduated Engineers and give them access to important books on Engineering subjects.

The Executive of the Engineering Students' Society wishes to thank all its members for their support during this great year.

P. R. COMMITTEE

C. Locke (Gauntlet); D. McDonald (Radio Society); A. Okazaki (Public Relations Officer).

The field of public relations at UAC was greatly increased this year by the three member P.R. Committee. Formed early in the fall, the committee began a series of projects to publicize the activities of the UAC student organizations and make our new university better-known in all areas of Canada, by utilizing many ideas and means previously untried at UAC.

Upon request, and more often upon their own initiative, the committee compiled and mailed numerous press releases on campus activities and developments during the year. These were distributed to press, radio and television media in the province and elsewhere, to all of the major Canadian universities and colleges, and to a number of MP's and MLA's, among others. Detailed reports on student

conferences held in Calgary and Edmonton such as the NFCUS Indian Seminar, WAUB convention and the Political Seminar were also produced by the UAC P.R. Committee.

Television and radio interviews were arranged for certain publicity-seeking organizations on campus.

Arrangements were made with the Photo Club to have a number of colour slides taken of the campus and various phases of student life at UAC. The Committee used these slides to illustrate talks given at various high schools in and around Calgary. This was part of a program to attract more and better students to UAC.

DEBATING SOCIETY

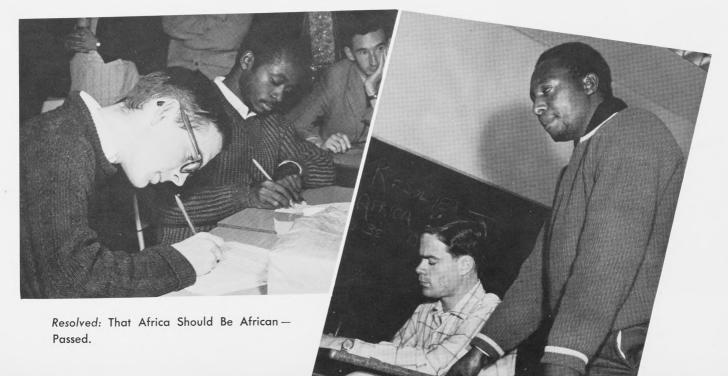

R. Haley (Organizing Sec.); J. Emberson (Vice-Pres.); D. Swinson (Pres.); M. Clayton (Sec.); G. Willis (Organizing Sec.); J. McTavish (Gavel Bearer).

The Debating Society has made great progress this year. The numbers attending are now counted in hundreds, while the number and quality of speakers has shown improvement. The ultimate goal of a large number of acute debaters who will make their views known each week has appeared on the horizon. It is still the case that many students suffer from shyness.

The range of activities has widened and will continue to do so. Debates with other universities and the presence of distinguished speakers are two examples. Of primary importance is the Debating Tournament, designed to find the best fare of speakers on campus. Dr. Taylor has indicated his support for the tournament in a very practical way by donating a trophy, for which the society is most grateful.

For the future, by an improvement in the quality of speeches and by an increased appreciation of the dignity of the Society among the students, it is hoped that the Society will acquire ever greater respect from the faculty and the public at large, so that finally to be asked to speak at the UAC Debating Society is an honour and the decisions of the Society are carefully considered by those in positions of importance.

RADIO AND T. V. SOCIETY

W. Harvey (Chief Engineer); P. Goulding (Sec.-Treas.); D. McDonald (Pres.); W. Sumner (Program Dir.).

This year the U.A.C. Radio Society has expanded its facilities and commenced to provide many new services for the University. Most notable has been the completion of their new studios and offices in the Arts Building. The equipment which has been installed here was completely constructed by U.A.C.R. Technicians. With the completion of this studio, U.A.C.R. has begun closed-circuit radio broadcasting on campus. This year has also seen the continuance of U.A.C.R.'s weekly twenty-five minute show, Varsity '62 on CFAC. Among U.A.C.R.'s new university services are emceeing for university functions, tape recording facilities for various organizations and recordings of major speeches on campus.

DRAMA SOCIETY

This year of the Drama Society has been the most constructive in its history. The outstanding performance, December 14 and 15, of its production DARK OF THE MOON, directed by Irene Prothroe, Society advisor, introduced the university to Calgary audiences as another realm of its many talents.

The remainder of the year was occupied with producing a radio play in connection with UAC Radio, discussion and production of plays written by members, and learning the principles of make-up, speech, stage movement, and stagecraft.

BALLET CLUB

L. Baker, A. Smart, B. Roxborough, C. Tuttler, C. Davis, Madame Olga Valda (Advisor).

The University Ballet Club was formed in November, 1961, under the expert instruction of Madame Olga Valda. Since then, the membership has risen to ten: Linda Baker, Christine Davis, Edelgard Dessombes, Emma Hatchard, Margaret Glover, Mrs. Kueber, Bill Roxborough and Chuck Szuch. Ellen Nagloren was elected Secretary. The purpose of the club is purely cultural. Its present project is an exhibition of folk dancing.

GLEE CLUB

C. Bond (Publicity); W. Ouellet (Vice-Pres.); G. Roberts (Librarian); S. McCormick (Sec.-Treas.); D. Rothwell (Librarian); M. Harangozo (Pres.); V. Faunt (Pub.).

Once again the Glee Club has proved to be one of the largest and most successful clubs on campus.

Under the direction of Dr. F. E. Churchley, this group has performed for two TV shows, and once more it drew a large audience to the annual Musicale Club concert at Christmastime. In 1962, the choir was asked to perform for the newly-organized Tuesday Musicale Series.

The annual spring good-will tour which met with great success in southern Alberta in 1961 will once more go on in 1962, this year heading northward to include such communities as Camrose, Drumheller, and Wetaskiwin. A ten-day tour is anticipated. It is hoped that in future years this tour will be extended to include many more communities.

STRING ENSEMBLE

Dr. Quentin Doolittle, Conductor

Gwynneth Roberts, Librarian

The Stringed Ensemble, consisting of fourteen players, performed three programs during the 1961-62 school year: on December 3, as part of a Christmas music program with the Glee Club; on March 7 again sharing the honors with the Glee Club. A program of Baroque and Contempory music was presented in a series of noon recitals during March.

NFCUS is an organization to which each Freshman belongs. As well, most seniors are paid up members with cards entitling them to the privileges of the organization. This year 85 students attended a day-long Remembrance Day Seminar on the Indian problem, co-sponsored with the CCCJ. Delegates Jean Hilliard, Sharon Van Raalte, and Abe Okazaki were sent to the NFCUS national summer seminar at McMaster University. UAC was represented by Maurice Yacowar and Dennis Macdonald at the NFCUS regional executive meeting in Saskatoon and at the National Congress in Kingston, at which Mr. Yacowar was elected Vice-President of the Ontario Region, unanimously.

NFCUS sponsored movie programs throughout the year, as well as, the NFCUS literary contest, photography contest, travel student rates, interregional plan, and the NFCUS life insurance plan. The organization renewed the Corpuscle Cup and will sponsor the Regional Executive meeting at Banff, May 3-6, 1962.

PHOTO CLUB

The Photo Club is a student organization designed primarily to train novices and give additional experience to those interested in the arts of photography.

The club holds a meeting once monthly but facilities were open to students and members of the club with the approval of the president Garry Worger.

The express function of the organization was to provide the Gauntlet and the Tallystick with pictures. The club covered campus events involving students and varsity teams.

The Photo Club owns over \$1000.00 worth of equipment, including three cameras, an enlarger and darkroom equipment for the developing and production of pictures.

INTER-PARTY COMMITTEE

POLITICAL SCIENCE

J. Kelly (Pres.); G. Dalton (Sec.); L. Portigal (V.P.)

Politics on campus received a big boost this year when, in October, the club under President Bruce MacDonald sponsored a Political Seminar. Speakers included Premier Ernest Manning; Jim Coutts, President of the Young Liberal Federation; Hon. Douglas Harkness, Minister of National Defense; and Tommy Douglas, National Leader of the N.D.P.

Just before Christmas, MacDonald resigned as President. This function was taken over by Jim Kelly, former Vice-Pres.

Attending committee of the club, the Inter-Party Committee was formed to take care of the organization of the Model Parliament, held March 8, 9, and 10. This com-

mittee consisted of two representatives from the recognized political parties; Conservatives, Liberals, New Democratic Party, Social Credit; the president of the Poli-Sci club as ex-officio member.

During the year regular business meetings were held, as well as the discussions on current political topics. Guest speakers were brought in to give talks on politics, government policies, parliamentary procedure, economics, et cetera.

The Club would like to thank Dr. E. B. Inlow, professor of Political Science and the club sponsor, for the aid he gave to the club during the year.

CONSERVATIVE CLUB

H. Kaul (Vice-Pres.); R. Iverson (Pres.); J. Richards (Sec.-Treas.).

This was the Progressive Conservatives' second year of operation on the campus. The club has sixteen members.

At the first meeting of the year, Heinz Kaul was elected vice-president, Jim Richards secretary-treasurer and Don Patterson membership chairman. Randy Iversen was elected president the previous spring.

The club took part in the Political Seminar held in November and was represented there by the Hon. Doug Harkness, Eldon Woolliams, MP, and Ernest Watkins, MLA.

In December the club held a coffee party at the home of Eldon Woolliams, MP, for freshmen students in order to give them a chance to become acquainted with the club and its policies. This will become an annual event.

Randy Iversen and Jim Richards were delegates to the Federation's Annual Convention held in Ottawa February 16, 17 and 18.

During March the club participated in the Model Parliament held under the auspices of the Political Science Club.

Throughout the year, the club presented on campus a variety of speakers among whom were Ernest Watkins, MLA, on Developments at the UN, Ed Whalen on Amateur Sport in Canada and the Winter Olympics at Banff, and Eric Nielsen, MP, on the Yukon and Northern Development.

LIBERAL CLUB

The UAC Liberal Club, formed in 1961, is presently under the executive of President Robert Carver, Vice-President Jim Kelly and Secretary-Treasurer Darlene Velker.

The activities for the club included participation in the Politica! Seminar, as well as hosting nation-wide speakers, including the Hon. Lester B. Pearson. The club also took part in UAC's first Model Parliament held in March.

Darlene Velker represented UAC at the CULF Convention held in Ottawa last January.

SOCIAL CREDIT CLUB

R. Vogel (Program Chairman); L. Menzies (Sec.-Treas.); D. Paproski (Pres.); L. Alexander (Vice-Pres.).

The Social Credit Club actively participated in this year's two main political events: the Political Seminar and Model Parliament. Premier E. C. Manning and the Honourable Mr. Fred Colbourne were featured speakers for the club.

Highlights of the year included speeches by two other of Alberta's eminent M.L.A.'s: Dr. Ernest Hansel, who spoke

on Federal Politics, and Mr. Albert Ludwig, who spoke on the failings of socialism. Three club members were delegates at the Provincial Convention of the Social Credit League. Robert Thompson, National Leader was invited to attend an open meeting at the University.

NEW DEMOCRATIC PARTY

B. Pashak (Poli-Sci Rep.); J. Sawada (Pres.); R. Norgren (Sec.-Treas.); I. Rootman (Vice-Pres.).

The New Democratic Party carried on the organizational aspects of last year by completing a constitution and submitting it to the Political Science Club, thus becoming a recognized political club on campus. The membership gathered frequently to discuss social reform necessary for responsible government. George Potter, associate director of the Department of Extension, gave an address on the labour movement in England and on some of the prob-

lems the New Party would have to overcome in the near future. Art McFaul, a member of the Alberta New Democratic Party, addressed the group on the value of the Party. During the second term the membership chose Bernie Melanson as the Party Leader for the Mock Parliament. The main drive in the pre-election campaign was the desire for sufficient representation to be an effective instrument for the students.

STUDENT CHRISTIAN MOVEMENT

Row One: H. Scriven (Gen. Sec.); E. Cranston (Soc. Con.); K. McArthur (Vice-Pres.). Row Two: W. Sumner (Pres.); B. Thompson (Book Steward).

The S.C.M. is a Movement, not a club. It functions within the framework of a Christian group, but it is open to all students. The S.C.M. strives to maintain a healthy balance of Christians and non-Christians, confronting each other in discussion about questions pertaining to Christianity, religion, morals and ethical issues in political, social and personal problem cases.

This year two study groups discussed Christian Faith and Comparative Religion. Lectures and panels were held once monthly, as were supper meetings and denominational studies. A major event this year, and in years to come is the S.C.M. sponsored Book Sale.

I.V.C.F.

IVCF is an interdenominational religious club whose purpose is "to know Christ and to make Him known." Through discussion and study of the Bible, the uniqueness of the Christian faith is illustrated; the love of God for man and its effect on man's relationships with men. The emphasis of the year, therefore, is not on meetings, but on individual associations.

G. Wind (Soc. Con.); C. Goodman (Missions and Prayer Chairman); R. May (Treas.); L. Sawatzky (Membership Chairman); D. Anderson (Pres.); G. Millar (Vice-Pres.); D. Mc-Cracken (Sec.); D. Whaley (Pub. Chairman). Missing: B. Johnson.

NEWMAN CLUB

The Newman Club is the Catholic Student organization on Campus. During the 1961-62 year, meetings were held Sunday evenings at St. Joseph's Church and on Wednesday noon on Campus.

Activities included a series of four panels presented by the Newman alumni on Catholicism and various progressions, numerous discussions, a Communion Breakfast and a Christmas party. A number of Newmanites visited various groups during the year and spoke about conditions and opportunities at U.A.C.

G. Dube (Vice-Pres.); M. Diewold (Sec.); L. Maes (Treas.); J. Marshall (Pres.)

CANTERBURY CLUB

L. Mitchell (Pres.); B. Fleming (Sec.-Treas); L. Robinson (Vice-Pres.); Rev. P. R. Judge (Chaplain).

The aim of Canterbury is to serve the mission of Christianity in higher education by fostering among students a better understanding of the faith and practice of the Anglican Communion, and loyalty to its corporate life through a program of worship, study, service, and evangelism.

This year, our aim was carried out by frequent communion services, weekly discussion groups, films and guest speakers. Two of the communion services were celebrated at St. Andrew's Church by the Lord Bishop of Calgary, Rt. Rev. George Calvert.

Two highlights of the year were the Calgary-Edmonton

Thanksgiving Conference held in Edmonton, and the Christmas Dominion Canterbury Conference held in Toronto. The topic of discussion at the Thanksgiving Conference was "The University and the Christian." It is hoped that Calgary will host a similar conference next fall. At the Christmas conference, to which our president was delegated, the theme was "The Anglican in the University."

Other activities included a Shrove Tuesday Pancake Supper followed by an Ash Wednesday Communion; a bowling party; attendance at the S.C.M. World Student Day of Prayer service; and a year-end supper and dance.

S. Purnell (Vice-Pres.); L. Matheny (Treas.); C. Ockey (Sec.); D. Ockey (Pres.); A. Irwin (Historian); K. Kesler (Soc. Con.).

DESERET

The Deseret Club, composed of the Latter-Day Saint students on campus, has had a profitable year, both study-wise and socially. This year's course of study was "The Religion of the Latter-Day Saints" and was presented very capably by instructor Jim Heninger. The club met every Monday and Wednesday and a generaly high attendance of the 40 or so members was observed throughout the year. The Club's social activities were highlighted by the Splash party in Banff at which there were about 30 members present.

I see a man walking a dusty road through green fields down to the sea.

CHEMISTRY

CLUB

The Chemistry Club enjoyed an interesting and profitable year in '61 - '62. The major project was the construction of a model of the basic structure of a DNA molecule, an acid in the nucleus of cells. It will stand twenty feet high in one of the stairwells of the Science Building.

Films and talks on the different aspects of chemistry were part of this year's program. An excursion was taken to the Suffield experimental station on March 2, where scientific methods were observed on various projects.

E. Willis (Program Convenor); F. Hall (Publicity Manager); H. Storlien (Chairman); G. Ball (Project Chairman); D. Litchinsky (Vice-Pres.).

COMTEAN **SOCIETY**

Dr. D. L. Mills (Advisor); C. Bonham (Pub. Chairman); I. Rootman (Pres.); I. Kyle (Sec.); G. Oaks (Program Chairman).

The Pickwickiam club split into two groups — sociological and philosophical — at its first meeting this year. Irving Rootman was elected president of the sociology club. The name chosen for the club was the Comtean Society after August Comte, the French social philosopher who gave sociology its name.

Programs at regular meetings included speakers such as Moses Chirambo and Dr. Stein and films such as "Everybody's Prejudiced." Plans included a rumor clinic, a talk by a psychiatrist and field trips. Plans also called for one meeting a month to be held in members' homes. At our first evening meeting a judge from the juvenile and family courts in Calgary related some of his experiences.

Our major project for this year was a survey of the freshman class to include socio-economic information and questions submitted by other clubs on campus. Films on sociological themes were to be opened to the general university public.

MUSIC CONSERVATORY

Through thin, thin walls, down long, dark halls Ethereal noises float, Loud squawks and squeals and sailor's reels, Stiff music played by rote.

For tiny ghosts with harrowed hosts Are playing on trombones And the weary wail of a piano pale Drifts over a trumpet's moan.

The muffled toot of a far-off flute Is made by some unknown And oboe scales like goblin gales Are somewhere being blown.

It really seems that walls and beams

Are all of music made,

Or a wraith-like band has thought it grand

To make an eerie raid.

Music to smoke by.

Frosh Week 1961, which lasted from September 18 to 23, introduced about 800 freshmen to varsity life at UAC.

The new red-and-gold beanies, compulsory wear for all freshmen, were distributed on Monday. Informal receptions were held on Tuesday noon by the different faculties; Wauneita had a tea to welcome the new women students.

On Wednesday afternoon, new students were formally admitted at a ceremony conducted at the Jubilee Auditorium. Speakers were Dr. Malcolm Taylor and Students' Union President Dennis MacDonald; the academic staff was present in traditional dress. Wednesday night, a Freshman Barbecue was held at a secret location near Millarville.

Sexes were segregated Thursday night with the Wauneita Initiations and Men's Smoker. The former, in keeping with the Wauneita motif, was based around a bonfire; films were shown at the Smoker, and a talk was given by Henry Viney.

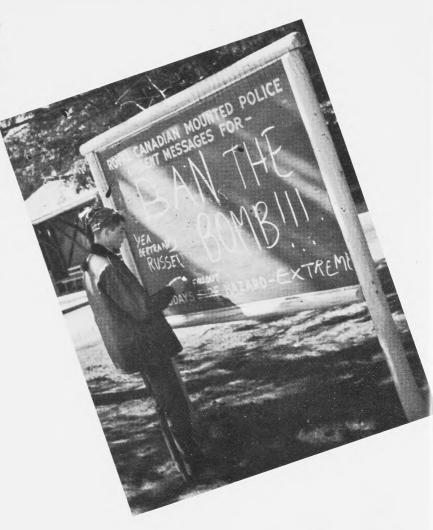

A Civic Reception and Dance was held at Crescent Heights High Friday night. Alderman Ted Duncan welcomed the first-year university students in the name of the City of Calgary.

The highlight of Frosh Week was the Annual Banff Trip. About 300 students, many of whom had taken the phrase—'BYOB''— into account, filled the Greyhound buses which left the campus early Saturday morning. They were kept occupied in Banff by a tour, supper and dance, as well as numerous other unplanned activities.

Oh let it snow, damn it!

What do I care.

"I'm glad it's Friday. This dull joint is getting
Me down. After five days I'm sick of books.
Maybe tonight we could go tobogganning.
Still snowing? Did you get that date with Joan?"

It is still snowing, and the janitor,
Alone in his parka, scrapes the slush
From a campus sidewalk: a professor crunches
Past him, toward the parking lot; and now
Two men approach, absorbed in talk, approach him
As he stands in greyness, shovelling,
And the pale flakes drift

("If that fallout cloud is over us now, this snow Is the worst thing that could have happened . . . ") slowly past his face.

The professor has a flat. He changes tires, Then drives to the nearest service station.

"Patch up a leak? Sure thing. Is that the tire?
Good God, your hair is white! It's kind of peaceful, though,
With all that snow coming down. At noon my wife
Was saying to the kids, Don't play in the snow,
It's radioactive — you know, from that Russian bomb
A few days back. Thirty megatons.
If you ask me, that Khrushchev needs
A taking down."

FORMAL

ON NOT HAVING BEEN ASKED TO THE WAUNEITA FORMAL

Three years now, I have longed in vain To be asked to the Wauneita Formal Three years now, I have suffered pain Why wasn't I asked? Am I not normal?

I smile at every girl in the hall Hoping she'll ask me to the ball And every night I wait for a call But no girl calls me at all.

Am I poor at dancing? Aren't my looks entrancing? Do I lack at romancing? Or is it my financing?

Maybe next year
If I'm here
I'll be normal
And get asked to the formal.

LOOSE-LIPPED LESTER

(Composed after Model Parliament at P.M. Bessell's. To be sung drunkenly to the "MTA". By Don. B. C. Patterson, Jr.).

Let me tell you the story about loose-lipped Lester, On a tragic and fateful day, Put his notes in his pocket, kissed his Bertrand Russell picture, Went to sit on the parliament'ray.

CHORUS:

Oh, will he ever return? No, he'll never return, And his policy will be unknown, He may walk forever through the House of Seagrams, He's a man who'll never return.

Lester went into session as he muttered a prayer; Oh, what will become of me? Should Canada buy two hundred nuclear warheads To put on the Bomarc B?

CHORUS:

Pickersgill and Martin had to tell poor Pearson
That there was one course to take —
Call the Calgary Students' Council, talk to Bernie Melanson,
Do it now, goodness gracious sake.

CHORUS

Lester dialed madly, but alas he dialed badly, He dialed Chicken on the Way, And as the missiles fell, he muttered, What the Hell, For ten buckets, Lester had to pay.

CHORUS:

Now there is the problem of a Douglas, T.C., Tommy wasn't killed, sad to say, Tommy was in Weyburn, Sasaskatcheweetchy, Like Alberta and Ponokay.

CHORUS:

Listen to me now, my stalwart Canuck fellows, Don't get vital facts wrong, Go down to the polls, make Canada a nation, Mark an X down for Diefenbaker, John — Big John, Big Joohhnnn, Big Bad John.

CURLING CLUB

L. Scott (Sec.); B. Midyette (Con. Draw Chairman); V. Heath (Teams Chairman); R. Hallett (Pres.).

The Bowling Club was smaller in numbers this year but was still active in tournaments. The members of the club took part in the intramural competitions and Ross Kelman won the Intramural High Triple trophy. A CIAA tournament with Tech and Mount Royal was held as well as several meets with a small group from the Tech. A bowling tournament with the Varsity Bowling Club from Edmonton was also conducted. Telegraphic bowling with other Canadian universities was also held.

The club executive hopes that next year's league will grow in size to become the largest active athletic club on campus. The Calgary Center lanes are increasing their available space so that we will have forty-four possible lanes to bowl on. It was found that a split schedule was undesirable.

Thirty-four rinks or one hundred thirty-six students found their curling abilities tested at the new Calgary Winter Club. The games were divided such that fourteen rinks curled Monday at 4:30 and twenty rinks on Thursday at 4:30. Many teams were closely matched and thus numerous games were thrilling battles.

The bonspiel at the end of January was a revealing demonstration of UAC men's curling. No team went through the competition undefeated but the keen-shooting team of Don Gardiner managed to win the important games and thus became the rink to represent UAC at the WCIAU playdowns in Edmonton.

Generally, the year was quite successful. Some problems were created when a few members failed to show for their games, but these were never too serious. Many thanks go to Mr. Bratton of the Physical Education Department for his assistance and advice in helping the Curling Club grow with the university.

Although the UAC Ski Club got off to a slow start this year, things picked up considerably after Christmas. On February 2, a large group of enthusiasts bundled up and headed south across the border to Whitefish, Montana for a weekend of skiing and . . . well anyway, for a weekend of skiing. Two weekends later, racing time rolled around, with the club acting as hosts for the third annual Calgary Collegiate Ski Association four-way ski meet held on Mount Norquay. With the strong competition provided by Mount Royal and Tech, limited success was forthcoming, but nevertheless a great deal of fun was had by all and, after all, this is why we entered.

Climaxing a successful year was the big excursion to Kimberley in March when a big Greyhound bus whisked off an energetic bunch of skiers and she-ers to two days of glory in Kimberley's deep powder, blue skies, and bright sun.

Women's Athletic Association is an organization newly formed on campus this year to coordinate all activities on the women's sports scene. Membership includes all women students interested in athletics. The aim of W.A.A. is to further interest and participation in sporting activities.

A special highlight of the year was the W.A.D. King Contest to select Mr. U.A.C. The candidates had to appear at a Pep Rally, a W.A.D. Tea and Fashion show. The W.A.D. King — Bill Ouellett was crowned at the W.A.D. Dance held February 2.

Other activities of the Women's Athletic Association included a mixed splash party and a mixed volleyball league, and such intramural activities as bowling, swimming, badminton, golf table tennis, volleyball, basketball, gymnastics, archery, and a tabloid meet. Intervarsity activities involved badminton, golf, volleyball, basketball, telegraphic bowling, swimming, and track and field. A member of the W.A.D. was also sent to the W.C.I.AU (Western Canada Intercollegiate Athletic Union) conference held in Vancouver.

Over Half of Canada's Power

IS GENERATED BY
WESTINGHOUSE EQUIPMENT BUILT
IN CANADA BY CANADIANS

● First in the development of alternating electric current, Westinghouse is still first in the development of electric power. Not only do Westinghouse generators produce over half of Canada's total hydro-electric power... but Westinghouse equipment of every type is employed in putting it to work in homes and industries, farms and factories in every part of Canada.

You can be sure...if it's Westinghouse

You don't like my music. You don't like my beer. What do you like?

Damn girdle . . . keeps slipping!

CHEESE, DAMNIT!!!

But I'm not wearing a girdle . . . I've got ants!
